

[illegible]

Technical drawing of a building floor plan, showing structural elements, dimensions, and annotations. The drawing includes a grid system with labels A, B, C, D, and E along the horizontal axis, and 100, 500, 1000, 1500, 2000, 2500, 3000, 3500, 4000, and 4500 along the vertical axis. Key structural elements include beams (HEB180 S355J2, LUP120 S355J2), columns (RHS100x100 S355J2), and a staircase (Schwivertreppe). Dimensions are provided for various sections, including a total width of 4500 and a total length of 4000. Annotations include 'Die übrige des Panels', '2% dach', and '2% dach'. A red line indicates a 'Kanal' (channel) running along the bottom edge.
